UNITED STATES INTELLIGENCE BOARD  
COMMITTEE ON DOCUMENTATION

MEMORANDUM FOR: Committee on Documentation

SUBJECT : Inter-Agency Communication Links

1. With the impending move of CIA within the year, it appears necessary and desirable that certain plans be made for the rapid transmission of documentary materials among our respective headquarters.

2. To develop the requirements for such a system and to examine into the various media which could be used, we propose the establishment of a Working Group under the Chairmanship of [redacted] Chief, Automation Development Group/OCR.

3. Because of the time elements and lead-time necessary for procurement of equipment, we believe that the final report of the Working Group should be filed by 15 October 1960.

4. Each member is urged to designate his representative on the Working Group to the Secretary, CODIB, by Friday, 9 September 1960.
